

MIRION Connect **23**

Annual Users' Conference

July 17 - 21, 2023

The Gaylord National Resort & Convention Center
201 Waterfront Street, National Harbor, Maryland

EXPLORE.
DISCOVER.
INNOVATION.

WELCOME

Dear attendee,

We are so glad you chose to join us at this year's Mirion Connect. Whether you are a returning visitor or new to the conference, we welcome you to enjoy what is sure to be a fun, informative and interactive event. I hope you will take full advantage of all we have to offer this year.

Get Registered

Our office and registration will be in Woodrow Wilson Registration Desk.

Registration hours:

- Monday: 7:30am – 9:00am
- Tuesday: 7:30am – 9:00am | 4:00pm – 6:30pm
- Wednesday: 7:00am – 8:00am

Socialize and Network

We invite you and your guests to mix and mingle at two very exciting social functions.

- **Cocktail Hour and Welcome Reception**

On Tuesday, we begin the evening by opening our Demo Room for a cocktail hour from 5:30pm to 6:30pm. At 6:30pm, we will move outside for a group photo just before the Welcome Reception in the Atrium (Town Square) from 7:00pm to 9:30pm.

- **Group Dinner**

On Thursday, enjoy a BBQ-themed Group Dinner in the Riverview Ballroom looking over the Potomac River starting at 7:00pm.

Guests of each registered conference participant may attend the two social functions free of charge. Please note that other scheduled meals and sessions are considered business events and are limited to participants only. All guests who are attending the social functions must be registered in advance and must have a ticket for each event to gain admittance. Walk-ins cannot be accommodated. If your guest information has changed since you registered online, please email at tpattison@mirion.com or visit the meeting office.

Learn About Mirion Solutions

Our Demo Room will be open Tuesday evening through Friday morning. Come and explore the ways Mirion is advancing radiation safety in your industry. Interacting with our product and service experts and learning about innovative solutions is a great way to spend time between sessions.

Earn Credits

This year's breakout sessions have been awarded Continuing Education Credits from the American Academy of Health Physics (AAHP). Sign in each day by scanning the QR code which the instructors will provide. You will receive an electronic certificate for your records via email following the conference. Most of our paid training sessions on Monday and Tuesday have also been approved for CE credits. Those who attend will receive a separate certificate.

Send Us Your Feedback

Be sure to check your email for our meeting evaluation on Friday at the end of the conference. We would appreciate your fast reply on this short survey. The information you provide is essential to ensuring our future meetings meet your expectations. The first two people to complete the survey will receive a Visa gift card.

I hope you enjoy this year's meeting and all that National Harbor has to offer!

Sincerely,

Tammy Pattison, CMP, CMM, CTSM
Director, Marketing Operations & Events

VENDORS

A special thank you to our partners for their active participation and contribution.

This year we welcome the following vendors with whom Mirion Technologies has partnered over the years to develop new concepts, techniques, equipment and services for the nuclear industry.

PHOTO & VIDEO NOTICE

I understand that registration and attendance at or participation in this meeting constitutes an agreement to permit Mirion Technologies use and distribution (both now and in the future) of my image or voice in photographs, videos, and other electronic reproductions.

Thank you for attending!
